For the top average divisions, handicap will be based on the following: Team Event: 880, Doubles Event: 440, Singles and All Events: 220. Handicap will be computed on three games series.
7. **AVERAGES:** Entrants shall use their highest USBC certified (league/scholastic) average, 21 games or more as of **January 1, 2010**. If no January 1 league average, entrant may use highest current league average as of the time of bowling, 21 games or more. **Proof of average must accompany each entry form.** If no proof of average is given, bowler will bowl scratch, a 220 average will be assigned.
8. It shall be each bowler’s responsibility to verify the accuracy of their average in this tournament, whether originally submitted by the bowler, team captain or others. Failure to use the proper average shall disqualify score if submitted average is lower than correct average, thereby resulting in a lower classification or more handicap. Awards listings shall be based on the submitted average if it is higher than the correct average. However, corrections in average may be permitted up to the completion of the first game in a series.
9. **SUBSTITUTES** may be used when necessary as long as such substitute meets all rules of eligibility. No substitute will be accepted for the ALL EVENTS, unless he/she is replacing the original bowler in all three events and the all-events fee has been paid. 10. **All squad/team or line-up changes must be by 6PM the Thursday prior to your tournament weekend.** Four person teams and double teams shall bowl in order as submitted on original entry application. Substitution shall be made at least 1/2 hour prior to the time scheduled to bowl, the deadline for reporting to the office by the team captain.
11. Tournament Management shall schedule Lane assignments for each event of this tournament. **AWARDS/SCHOLARSHIP FEES** shall be returned 100% in the way of awards/scholarships. Only those entrants, who pay the \$5.00 entry fee, qualify for participation in the All Events scholarship fund.
